A Great Place to Grow! 2010 - 2011 school year

OUR MISSION -

St. John's U.C.C. Preschool is an outreach mission for the church. It is our goal to provide your child with a bridge between home and school. A safe nurturing environment with many varied experiences will help enable each child to make a successful transition from home to school, learn to participate in a group setting and develop the joy of learning. Self-development of each child and not a mastery of specific academic subject matter will be the focus of the classroom experience.

TOT PROGRAM

Tuesdays/Thursdays - 9:00-11:30a.m.
Children must be 3 years of age by August 31 of the enrolling year.

OUR CURRICULUM -

We are a Christ centered non-denominational Christian program. Our devotional time is spent sharing Bible stories, singing songs and prayer. Additional classroom time is spent learning shapes, colors, numbers and letters within a fun and hands-on environment.

Our goal is for each child to learn good socialization and cooperation skills that they build upon throughout life.

OUR STAFF -

The teacher is an experienced and certified teacher. Each year she will renew her license in Pediatric CPR and First Aid. The teacher's aide has a strong desire to work with children and has a natural ability to work and communicate with children of all age levels. The substitute roster is filled with retired teachers and parents dedicated to providing a nurturing and caring environment for the children.
