St. John's implements a Traditional Style of Worship, but regularly will blend today's technology with the rich history of the Liturgical Church Calendar. About once a quarter an attendee will experience a Contemporary Worship Style. Also quarterly, we return to our roots and use the Evangelical and Reformed Order for Worship, and offer a "Healing Service". You are invited to join us each and every Sunday Morning @ 10:15 a.m. in our sanctuary. Special Services are held multiple times during the year not held on Sunday mornings. Please reference the church calendar for dates and times.

### Schedule of Lay Ministry for September
